A PRESIDENTIAL MEASURE:

8-25-25

Hello!!! Just a short note to all of our amazing parents. Thank you for letting your children be involved in our program. A few things we want to mention as we are quickly approaching a very busy season. First and foremost we want everyone who wants to be involved in our program to do just that. There are various opportunities coming to volunteers and chaperone. Please sure you have completed the pieces needed in order to do that. Based on our parent feedback we have changed our communication plan. Please make sure you are on Remind for those important details. Join our new Facebook page where you can interact with all of us and share pictures, videos and what not. We are so excited for this show and season. Please feel free to reach out to the board directly for questions. Make sure you follow the calendar and know that we try to get information out as far in advance as possible.

Thank you again! Let's go Stampede - Jenna
